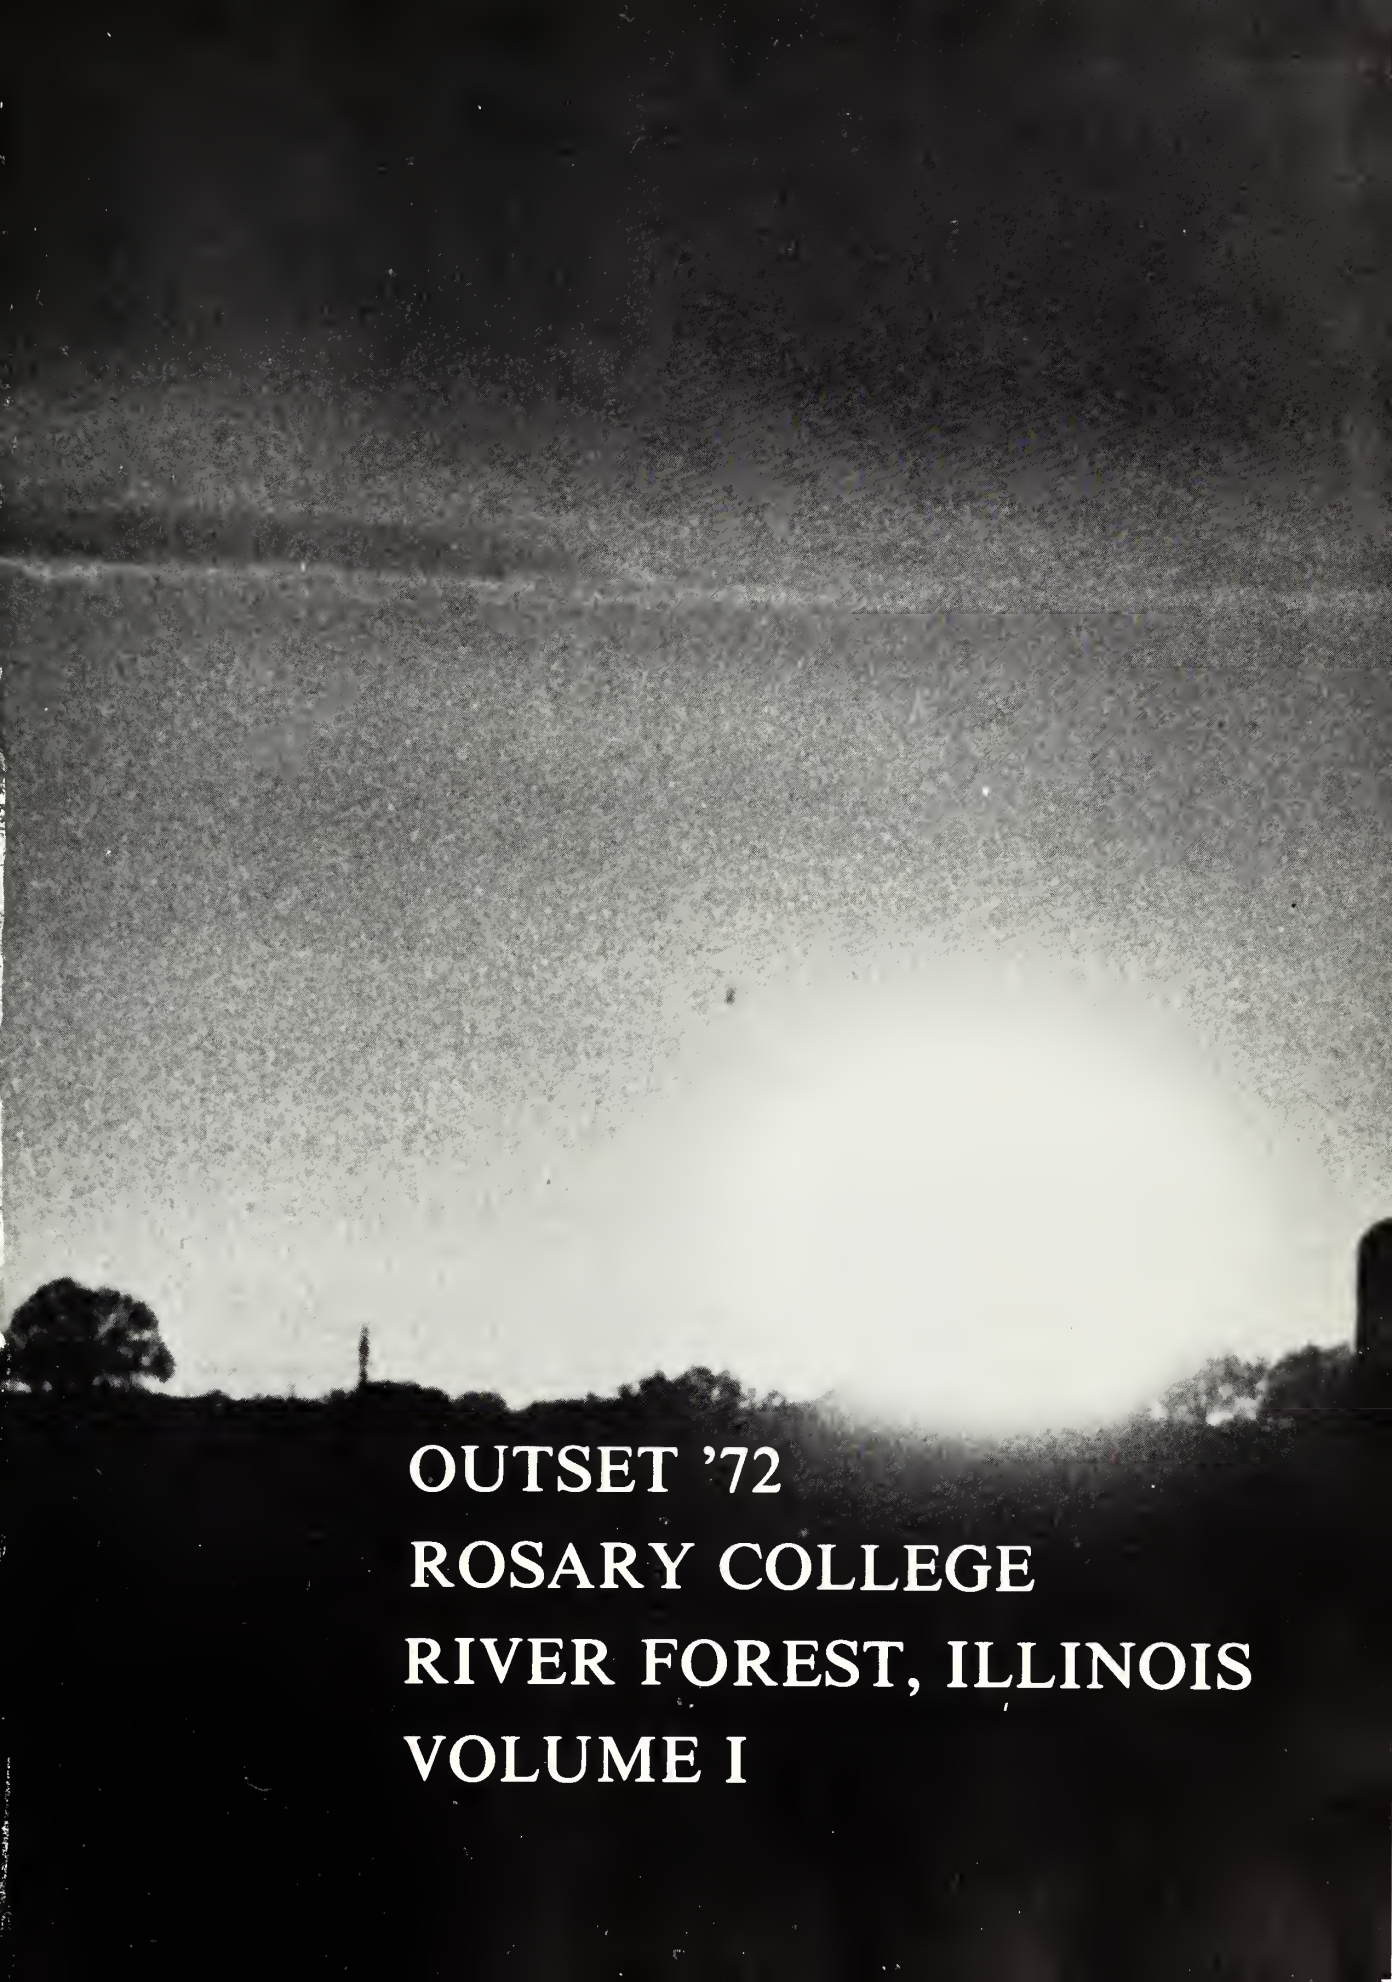
OUTSET '72



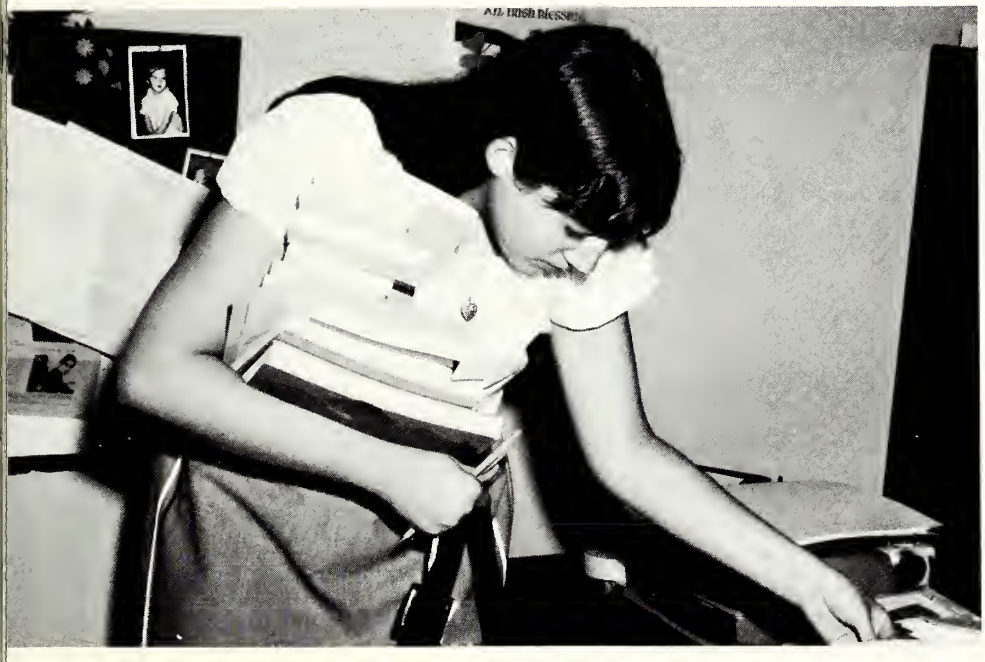
OUTSET '72
ROSARY COLLEGE
RIVER FOREST, ILLINOIS
VOLUME I

New ideas,
new thoughts,
are often rejected in favor
of the familiar.

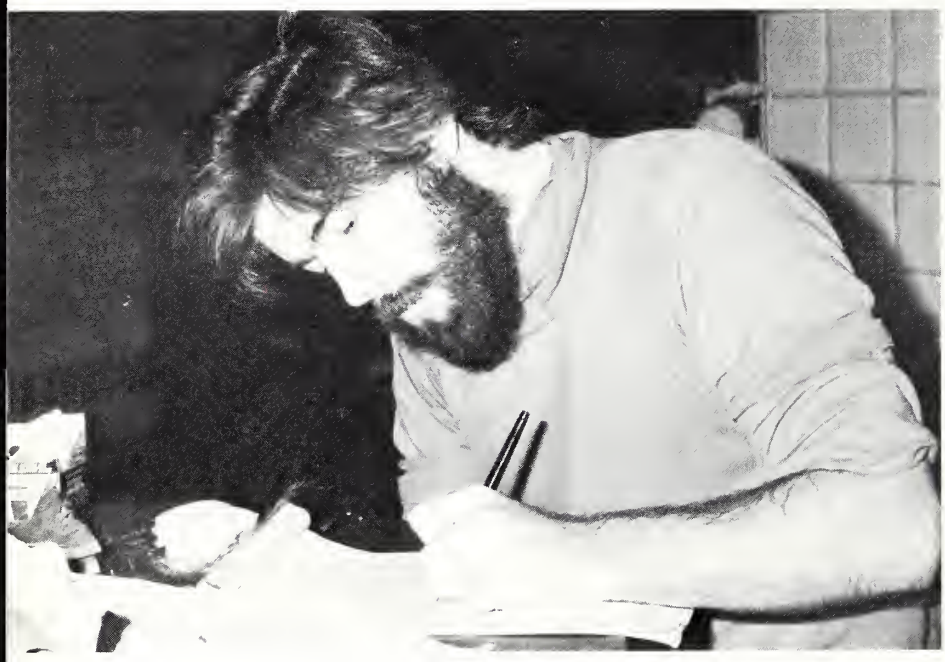
The softest, simplest
course is not always the wisest.

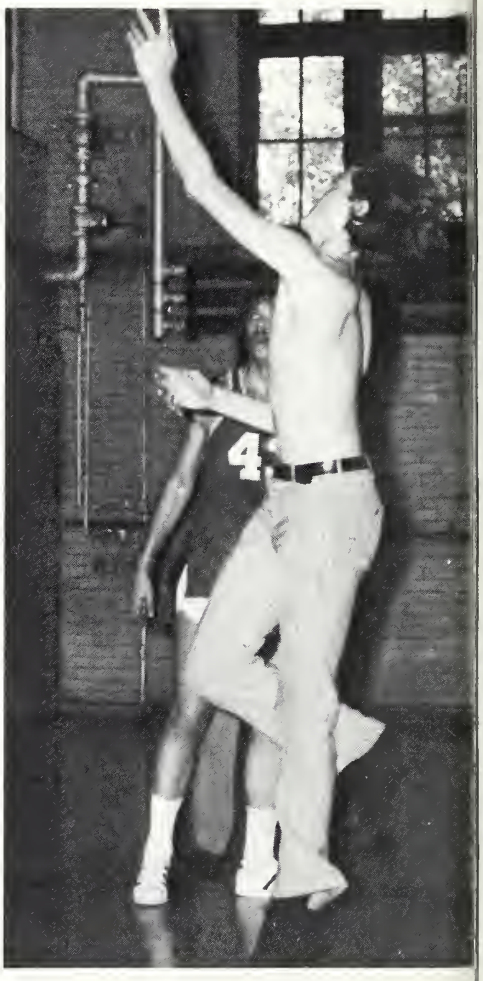
It is a brave man
who dares to experiment
and buck the tradition.

For he introduces
something new
and he makes a beginning,
an outset.



THE NORTH STAR





It is up to us to continue
to begin, nourishing our perspective
with the events of the past
that have taught us
right and wrong.

The beginning,
the genesis of man
is today,
built from yesterday
for tomorrow.
